

# The “Four Faces” of Man

The “Four Faces” of Man include:

1. The face of a lion - Courage (facing challenges with courage).
2. The face of a man - Compassion (care for the needy).
3. The face of an eagle - Vision (where there is no vision, the people perish).
4. The face of an ox - Servant (serve in the church and gives back to the community).

We believe that every Christian man should possess four distinct “faces” that work collaboratively in unison to promote the kingdom of God in the areas of:

1. Self-development.
2. Protection of and providing for family.
3. Evangelism.
4. Community outreach (assisting the less fortunate).

Matthew 4:19 And He saith unto them, “**Follow Me, and I will make you fishers of men**”.
